

Good Shepherd Day School Suggested Supplies and Preparations

- **Please apply sunscreen and bug spray daily before arrival.**
- Our entire school is **NUT FREE**, please keep this in mind when you are preparing lunches. Due to several allergies within our school, we will **not be able to open and serve** any products containing nuts. **If you are using a substitute such as Sun Butter or soy butter, please label the item and let the classroom teachers know so we don't assume it's peanut butter.**

Mangrove(toddlers)

- Gallon size Ziplock bag with your child's name on it including **2 changes of clothing including socks and 1 pair of spare shoes**. *Remember, clothing needs change as your child grows and seasons change.
- **No backpacks please:** We do not have the space to store them, and they are usually too large for the cubbies which will store your child's papers and creations.
- Enough **diapers/pull-ups** for the week- we cannot store large boxes of diapers. Please be sure the bag is labeled.
- **Unscented wipes** for our "community" supply.
- **Lunch box(daily) labeled** with your child's first and last name. We suggest using a "bento style box" to help develop independence. **Please avoid lots of individually wrapped items!**
- **Water bottle(daily) labeled** with your child's first and last name.
- **Labeled crib sheet and blanket or nap roll** for nap/quiet time (full-day students only). Personal items will be sent home on Thursday/Friday to be washed weekly.
- **If the child uses a pacifier (for napping) it must be labeled.**
- **No toys from home.** Stuffed animals or loveys for naptime will be kept with napping items.
