2023 Summer of Wonder Camp Menu

Week 1

June 5- 9: Dinosaur World

ROARRRRRRRRRR!!!!!! Dig into some *honey fun* as we take a trip back in time to learn about some of the biggest creatures to ever roam the Earth!

Week 2

June 12-16: Art in Nature

There is beauty in the nature that surrounds us. This week, we'll be getting hands-on with all the natural materials that are around the school. Be prepared, things could get *muddy*!

Week 3

June 19--23: Mad Scientist ***Closed 6/19**

Lab agents enter here.....Join us as we mix, bubble, pour and test. This is sure to be a week that *explodes* with fun!

Week 4

June 26- June 30: Camping and the Great Outdoors

Let's explore the art of camping..... Join us as we "*camp*" in our outdoor classroom, sing songs around the "*campfire*" and learn more about mother nature. This week will be so fun, you'll be asking for *&more!*

July 3-7: ***No Camp GSDS CLOSED**

Week 5

July 10-14: Ocean Commotion

Summer wouldn't be summer without a trip to the beach! We will learn about ocean wildlife and their habitats and even have some fun with *water play* throughout the week.

Week 6

July 17-21: Colorworks

Explore the world of *color- theory* using multiple media: clay, paint, chalk, paper, and light.

Week 7

July 24-July 28:

Cars and Trucks and Things That GO!

Ready, Set and GO! This week we will be hands-on discovering different means of transportation. From cars to hot air balloons, we will be *inventing* our own ways of transportation through recycled materials.

Week 8 SPACE CAMP

July 31-August 4: The last week of summer camp will be *out of this world!* As future *astronauts* we explore our planet Earth, the moon, sun, and solar system with hands-on activities.
